

Renewal Program for Missionaries

There is a growing need today to respond to the challenges arising from various contexts of religious and cultural pluralism, globalization, communication, pastoral involvement, ecological crisis, faith and justice, fundamentalism, atheistic spirituality and others.

An on-going theological, intellectual and spiritual formation to respond to the above-mentioned challenges is essential.

The Faculty of Missiology seeks to offer this kind of formation especially in Rome where the universal and the local Church meet in a radical way. Furthermore, the geographical proximity of the Vatican City and the Pope is expected to give a strong stimulus to missio-theological training.

The image inside symbolizes the missionary activity of the Society of Jesus in the four continents: Europe, Africa, America and Asia with St. Ignatius of Loyola at the center glorified by God.

“The Church which ‘goes forth’ is a community of missionary disciples who take the first step, who are involved and supportive, who bear fruit and rejoice. An evangelizing community knows that the Lord has taken the initiative, he has loved us first (cf. 1 Jn 4:19), and therefore we can move forward, boldly take the initiative, go out to others, seek those who have fallen away, stand at the crossroads and welcome the outcast”.
